

PROPERTIES	TEST METHOD	UNIT	JF5513
PHYSICAL			
Specific Gravity	ASTM D792	-	1.14
MECHANICAL			
Tensile Strength at yield	ASTM D638	MPa	81
Flexural Modulus	ASTM D790	MPa	5,200
Izod Impact Strength, notched, 23°C	ASTM D256	J/m	100
THERMAL			
HDT, 0.45 MPa	ASTM D648	°C	148

1. The value above is the representative value of the NP or representative color and may have deviation. It can only be used for selecting materials.

2. The value above shall not be regarded as a material specification and cannot be used for molding designs.
